HOME GROUP DISCUSSION GUIDE—

- What kinds of thoughts and images enter our minds on a daily basis? In what ways do some of those thoughts and images tend to distort our view of life and scramble our perception of God?
- John Ortberg talked about the “bowling dance” that people do after they throw the ball. How does that image help you remember to let go of your problems, concerns, failures and put them in God’s hands?
- Look at these Scriptures and describe the mind everyone develops if they don’t listen to God—**Psalm 10:4; 2 Corinthians 11:3; Romans 8:7-8; Philippians 3:18-19**
- How do we fill our mind with the good things God says are important to keep us tuned into his voice? **Matthew 22:37; Philippians 4:8-9; Colossians 3:16; Hebrews 3:1**
- What is the result of a heart that listens to God? **Philippians 4:4-7**
