So Ananias went and found Saul. He laid his hands on him and said, "Brother Saul, the Lord Jesus, who appeared to you on the road, has sent me so that you might regain your sight and be filled with the Holy Spirit." Instantly something like scales fell from Saul's eyes, and he regained his sight. Then he got up and was baptized. Afterward he ate some food and regained his strength.

## Home Group Discussion & BIBLE STUDY for this week:

- Tell us about a “slap-in-the-face” kind of moment that increased your understanding of God’s grace.
- If you could describe that moment with one word, what would that word be? Why did you choose that word?
- Tell us about a moment when you know God specifically brought someone to you to bring blessing you when you needed it most.
- Review **Acts 9:1-19**. Saul probably came to a point when he realized he had sinned against God in the worst possible ways (1 Tim 1:16). Understanding that it was useless to resist God’s will to forgive (Acts 26:14) Saul was able to receive God’s forgiveness. But it seems that many people around us are unable to believe they can be forgiven. As a group, try to come up with a list of reasons why people believe they cannot be forgiven for their sin. Are there any reasons where pride is a factor?
- Read **Isaiah 58:1-11**. How does your ability to trust in God’s salvation have an impact on others?
