QUOTE FOR THE WEEK

"God's ways are natural, but they aren't easy—especially at first. New ways of life must be formed in us through hours, days, and years of intentional practice. The future of your own faith and the incarnational presence of your community is ultimately about letting the Spirit of God re-orient everything about you.

Teaching Notes (none this Sunday)

## Home Group Discussion & BIBLE STUDY for this week:

### Read Hebrews 10:19-25

- What did you have a lot of confidence in when you were growing up? What made you so confident?
- Notice the symbolism in the first verses. They are a direct reference to the *Day of Atonement* (one day a year when the high priest entered the Most Holy Place in the temple). Read **Leviticus 16:1-22** to get a feel for this important event for the Jews.
- Heb. 10:22 commands us to “draw near to God”, or, “go right into God’s presence”. What are the 2 reasons the author gives that we can have such confidence? (Hint: vs. 19-21).
- There are 4 “let us’s” (not Romaine or Iceberg :) ) in this short passage. Find them together and make sure everyone understands what God wants us to do as a group of Christ-followers.
- How does vs. 25 damage the argument that says people don’t have to go to church, or do any Christian activities, to be a Christ-follower?
- How have you seen your brothers and sisters do these 4 things to encourage you? How could we do a better job of motivating you toward acts of love and good works?
