Acts 28:11-31— Sometimes God Says.... “Meh”!

Home Group Discussion & BIBLE STUDY for this week:

1. What do you think was Paul's mindset as he was heading to Rome? (remember, he'd NEVER been there before)
2. Why do you think Paul was so happy to see other believers greet him?
3. Is the reaction of the Jewish believers what you expected when they first met Paul?
4. As Paul chastises them in verses 25-30, do you think Paul is picking a fight? Paul had been used to people wanting to kill him for preaching this and now these guys are almost aloof to it. Do you think he quotes this prophecy to try to get them angry because it's what he's used to? Have you found that in your walk, you can try to create familiar chaos to give yourself a feeling of being a bit in control? How does that work?
5. Why do you think we never get to see Paul before Nero in Acts? We end with him living 2 years under guard in a residence in Rome. Kind of anti-climactic, what is God showing us in this?
6. Read **1 Kings 19:10-13**, do you think God is doing something similar here in that He's revealing Himself in the quiet instead of the chaotic? Have you seen God do this in your own walk?
