SERMON NOTES— "I Want To Know Jesus"

Today: Jesus and Money

Main Text: Luke 6:38

I. The Curse of Money

II. The Blessing of Money

III. Jesus' Principle and Promise of Giving—Luke 6:38

Home Group Discussion & BIBLE STUDY for this week:

- What ministry or cause are you the most passionate about? Why is it so important to you?
- Many Christ-followers in the world feel that we Americans are cursed with too much money, or with an imbalanced view of consumerism. Do you agree with them? Why do you think they feel this way?
- Read **Luke 12:33-34** and **Matthew 6:24**. As a group come up with a list of practical principles that Jesus is trying to communicate to us.
- Many say that tithing (giving 10% of your income) is an Old Testament, invalid and archaic principle that we don't need to follow anymore. According to **Matthew 23:23**—is Jesus pro or con of tithing?
- Do you believe that **Malachi 3:10-12** is a principle and promise for us today? Any testimonies in the group of this promise coming true?
- Talk honestly about your financial situation. What would giving 10% to the church do to you? Why is it so hard to commit that money to the church and then give even more to other ministries?
- Read **Luke 6:38**. Pastor Rob shared that this verse summarizes Jesus' view of God's economics and investment plans. Is this principle true only for the rich or also for the poor? What's a practical way you could put this promise to the test?
