Sermon Notes: "Declaration of Dependence" Recovery Road—#4 Andy Stanley DVD

Key Idea: Recovery begins with a declaration of dependence! I can't do life on my own. I need God to help me!
You need to declare your dependence on God !!

15 years ago in NYC, there was more prayer and dependence on God than ever before in our country. Today we aren't comfortable talking about God at the national level. We would rather run the risk of offending God than the 8% of Americans who don't believe in God. Our national motto: *In God We Trust*. Why does that seem so distant in America today?

2 Chronicles 6:12 - 10th century B.C. Solomon was the king . Golden Age of Israel. Virtually no problems in the kingdom. During this time Solomon built the temple and they dedicated it to the Lord.

In front of all the people.... The king kneels in reverence to God.

2 Chronicles 6:32-33—A blessing for foreigners (like most of us!) who follow God

2 Chronicles 7:11-14—God speaks to Solomon during the night... When the nation is disobedient and under judgment....
"IF my people who are called by my name will **humble** themselves and fall on their knees and **pray** and **seek** my face and **turn** from their wicked ways, THEN I will hear from heaven, and I will forgive their sin and I will heal their land."

Past American leaders who were overt in their dependence on God... James Harlan & Abraham Lincoln—National Day of Prayer

APPLY: What are specific ways we can declare our dependence on God?
