Sermon Notes: "The Spending Crisis" Recovery Road—#5

Andy Stanley DVD

- **Key Idea:** There are 2 kinds of people: Those who pay interest and those who make interest. You need to decide who you want to be. God promises to bless those who don't get into heavy debt.
- We don't have a financial crisis in the U.S. We have a spending problem!
- It's hard to say "NO" to spending without getting into debt. It's actually counter-cultural.
- In the US we can reach into our future and grab money so that we can buy what we want today. Credit cards, lines of credit, bank loans, etc. are easily approved and obtained. But the future will catch up with you!!!
- Eventually, credit or time will catch up with you and you'll have several problems:
 - 1: You can't have everything you want.
 - 2: You can't even have everything you can "afford."
 - 3: You have to live on a budget.
 - 4: When the money is gone, you have to stop spending.

Deuteronomy 28:12 - When our country believes this principle we will recover and once again be able to help others instead of asking for help. The same is true for us as individuals.

Proverbs 22:7 - "Just as the rich rule the poor, so the borrower is servant to the lender."
